

# JUNE 30 LIP SYNC RULES

THIS INVOLVES AN INDIVIDUAL OR GROUP PRETENDING TO SING A CHRISTIAN SONG THAT IS PRERECORDED PROFESSIONALLY ON A CD OR DOWNLOADED (LEGALLY) FROM THE INTERNET, ETC.

Here are the guidelines:

1. Teams each choose a pre-recorded Christian song.
2. Practice your lip sync routine - choreography & costumes included.
3. Memorize the lyrics for a better performance.
4. Memorize the non-lyrical parts like humming, breathing, movements, etc.
5. On the day of the performance, sync the words like they are actually coming out of your mouths.
6. Use props if appropriate.
7. Teams can also include musicians to pretend playing instruments also.
8. Teams will be judged on the following:
  - lyrics IN FULL AGREEMENT with WORD OF GOD (no dead mother up in heaven, etc.)
  - team members dressed modestly
  - appropriate costumes
  - choreography
  - overall performance (NO Rock or outrageous music!)
